

# Summer 2022 Traffic Calming Selections – Overview

NDOT is excited to announce the next class of traffic calming neighborhoods to begin planning for slower, safer streets!

These streets represent a cross-section of urban and suburban neighborhoods across 14 districts of Davidson County. They were selected for projects based on:

## SAFETY (70%)

*Speed & crash data*

## MODE CHOICE (30%)

*Non-auto activity & accommodations*

#1

	Neighborhood	Street	Council District
	Pinnacle Point HOA	Piccadilly Row	28
	Pleasant Acres	Ronnie Rd	8
	Cato Road	Cato Rd	1
	Edwin	Edwin St, Jones Ave	5

### Note:

New prioritization weights are:

**Speed** (50%, up from 30%)

**Crashes** (20%, down from 40%)

**Modal activity** (same at 15%)

**Modal accommodations** (same at 15%)

No streets were removed for minimal speeding or low volumes.
